USGS QUAD MAP LAKE BUTTE (1986)
NGS PID

LATITUDE 44.50999
LONGITUDE -110.24962
ELEVATION 2495 m

DATE OF DESCRIPTION 2008

DESCRIPTION Proceed 10.25 miles along the East Entrance highway from its junction with the Canyon-Lake highway (just west of Fishing Bridge). Bench mark is about 40 m north-northeast of the centerline of the highway at point where the abandoned Turbid Lake Road joins highway, near the apex of sweeping turn in the highway, on east side of a gully that the abandoned road follows to the north, set on steel rod driven to refusal and surrounded by white, 8-inch, PVC pipe.

In 2008 it was discovered that the bench mark has been bent and the PVC is broken.

Looking north-northeast from highway at bench mark (beneath person).

Close up of bench mark.

Looking north-northeast from highway at bench mark (beneath person).
